

blink/main.c

```
graph TD; A[blink/main.c] --> B[io.h]; A --> C[stdio.h];
```

A diagram illustrating file dependencies. At the top is a gray rectangular box labeled 'blink/main.c'. Two blue arrows originate from the bottom center of this box. The left arrow points down and to the left to a white rectangular box labeled 'io.h'. The right arrow points down and to the right to a white rectangular box labeled 'stdio.h'. All boxes have black borders.
